Consider one of the participants in this photo and describe three factors that would affect this person's experience or memory of the event depicted. How would this participant’s experience or memories vary as a function of
(1) their language?
(2) other aspects of their culture?
(3) a third factor (variable or universal)?

Any direct quotes or direct use of others’ ideas must be clearly attributed with an appropriate citation (in any conventional format).

Your essay should be double-spaced, 1-inch margins, 12 point font, no more than four (4) pages. It is due in the Anthropology Department Office, Haines 341, before 4:00 on Monday, March 21. No late exams will be accepted.

Have fun and good luck.
