Curriculum Vitae Joan B. Silk

BIRTHDATE: 16 December 1953 **BIRTHPLACE:** Riverside, California

MARITAL STATUS: Married to Robert Boyd, 2 children

CITIZENSHIP: United States

ADDRESS

Department of Anthropology University of California Los Angeles, CA 90024

Telephone (310) 825-2655 FAX (310) 206-7833

E-mail jsilk@anthro.ucla.edu

EDUCATION

1981 Ph.D. in Anthropology, University of California, Davis

1978 M.A. in Anthropology, University of California, Davis

1975 B.A. with honors in Anthropology, Pitzer College, Claremont Colleges

ACADEMIC HONORS RECEIVED

1993 Fellow, American Anthropological Association

1976-1981 Recipient of the Regents Fellowship, University of California, Davis

ACADEMIC POSITIONS

2005-2006	Visiting Fellow,	Madgalen (College	Cambridge	University
2003 2000	VIDICILIA I CITO VV,	1VIUUSuicii '	COHCEC,	Cumulatiasc	CITTYCISITY

Visiting Scholar, Department of Zoology, Cambridge University

1996-2001 Chair, Department of Anthropology, University of California, Los Angeles

1995- Professor, Department of Anthropology, University of California, Los Angeles

1993-1996 Vice Chair, Department of Anthropology, University of California, Los Angeles

1992	Fellow, Zentrum fur Interdisziplinare Forschung, University of Bielefeld, Germany
1990-1994	Associate Professor, Department of Anthropology, University of California, Los Angeles
1986-1992	Affiliate scientist, California Primate Research Center, University of California, Davis
1986-1990	Assistant Professor, Department of Anthropology, University of California, Los Angeles
1984-1986	Assistant Professor, Department of Anthropology, Emory University, Atlanta, Georgia
1984-1986	Assistant Research Behaviorist, California Primate Research Center, Davis, California
1983-1984	Visiting Scholar, Department of Zoology, Duke University, Durham, North Carolina
1982-1983	National Research Service Award, National Institute of Mental Health, postdoctoral fellow, Department of Biology, University of Chicago.
1981-1982	National Science Foundation postdoctoral fellow, Department of Biology, University of Chicago.

PROFESSIONAL ACTIVITIES

2002	Panelist, National Science Foundation Biological Anthropology Section
1997-98,	Panelist, National Science Foundation Graduate Research Fellowship Program
2001	
1994-95	Member, Editorial Board, The American Naturalist
1993-96,	Panelist, National Science Foundation Biological Anthropology Section
2002	
1991-	Associate Editor, Human Nature
present	
1990-95	Associate Editor, American Journal of Physical Anthropology
1980-81	Book Review Editor, Human Ecology

PUBLICATIONS

INVITED TALKS AND CONFERENCES (2001-2005)

What are friends for? The adaptive value of social bonds. For CRIG, Department of Psychology, UCLA, Spring 2001.

What are friends for? The adaptive value of social bonds in primates. Southern California Primate Research Network, San Diego, Spring 2001.

The evolution of friendship in primates. Adaptive Behavior and Cognition Group, Max Planck Institute for Human Development, November 2001.

Too many males: Sex ratios and sexual selection in primates. Third Göttinger Frielandtage, Sexual Selection in Primates: Causes, mechanisms, and consequences. 11-15 December, 2001.

"Friendship" in nonhuman primates: comparisons, connections, and contrasts. Conference on Kinship and Friendship, University of Bielefeld, Bielefeld, Germany. 4-6 February 2002.

Allies and Friends: The role of alliances in the lives of female baboons. Max Planck Institute for Evolutionary Anthropology, Leipzig, Germany, 13 May 2002

Allies and Friends: The role of alliances in the lives of female baboons. Institute for Theoretical Biology, Humboldt University, Berlin, Germany, 21 May 2002

Kinship, altruism, and friendship in nonhuman primates. Wissenschaftskolleg zu Berlin, Berlin, Germany, 23 May 2002.

Member of the Program Advisory Committee and participant in 90th Dahlem Workshop on Genetic and Cultural Evolution of Cooperation, Berlin Germany, 23-28 June 2002.

Allies and Friends: the Role of Coalitions in the lives of female baboons. German Primate Center, Göttingen, Germany, 10 July 2002.

Cooperation, Aid, and Friendship in Primate Groups. Presented to the Behavior, Evolution, and Culture group, UCLA, January 2002.

Coalitionary Aggression in Baboon Groups: Conventional Wisdom Meets the Real World, Presented to the Evolution, Mind, and Behavior Conference, UC Santa Barbara, 4 May 2003.

Competition, conflict, and cooperation in primate groups. For Presidential Symposium entitled "Cooperation and Conflict: Current Studies in Evolutionary Anthropology", annual meeting of the American Anthropological Association, Chicago, 19-23 November 2003.

Baboon sex ratios: testing the van Schaik and Hrdy model. Invited talk at the annual meeting of the Primate Society of Great Britain, London, 3 December 2003.

Practicing Hamilton's Rule: Kinship and Cooperation in Primate Groups. Fourth Göttinger Frielandtage, Cooperation in Primates: Causes, mechanisms, and consequences. 9-13 December, 2003.

Sociality among female baboons: Studying form, function and evolutionary processes in the field. Department of Anthropology, University of Michigan, 12 March 2004.

The Adaptive Value of Social Bonds. Plenary address delivered at the annual meeting og the American Society of Primatology, Madison, WI, 9 June 2004.

The adaptive value of social bonds and Sex Ratios in Primate Groups: Making Models and Testing Predictions. Haverford College, November 2004.

The Adaptive Value of Social Bonds: Linking Theory to Evidence. Department of Psychology, University of Pennsylvania, November 2004.

Sex ratio adjustment in primates: Nice theories meet ugly facts. Behavioral Ecology Research Group, University of Stony Brook, 18 March 2005.

Discussant, Symposium on Empathy and Fairness, Novartis Foundation, London, October 2005.

The origins of prosocial sentiments.

Department of Anthropology, University of College London, October 2005 Department of Biological Anthropology, Cambridge University, October 2005 The Royal Institution and the Physiological Society, London, October 2005 Sub-Department of Animal Behaviour, Cambridge University, November 2005
