When *Contemporary Asian America* was first published, it exposed its readers to developments within the discipline, from its inception as part of the ethnic consciousness movement of the 1960s to the more contemporary theoretical and practical issues facing Asian America at the century's end.

This new edition features a number of fresh entries and updated material. It covers such topics as Asian American activism, immigration, community formation, family relations, gender roles, sexuality, identity, struggle for social justice, interethnic conflict/coalition, and political participation.

As in the first edition, *Contemporary Asian America* provides an expansive introduction to the central readings in Asian American Studies, presenting a grounded theoretical orientation to the discipline and framing key historical, cultural, economic, and social themes with a social science focus. This critical text offers a broad overview of Asian American studies and the current state of Asian America.

*Contemporary Asian America* addresses pressing issues and theoretical concerns of Asian Americans in the twenty-first century. Its wide range of coverage and high quality in the depth of its analysis make this volume valuable.

—Esther Ngan-ling Chow, American University

Min Zhou is Professor of Sociology and Founding Chair of the Department of Asian American Studies, University of California, Los Angeles. She is the author of *Chinatown*, co-author of *Growing Up American*, and co-editor of *Asian American Youth*.

J. V. Gatewood is a PhD candidate in American Civilization at Brown University.
